More than just a golf trip; we invite you to embark on a once in a lifetime journey that transcends the ordinary.

With meticulous attention to detail, we've crafted an experience that redefines your perception of luxury.

Cero Travel offers a truly unique experience as the only dedicated golf travel company that provides the option to fly on a first-class Emirates private jet, in addition to our partnership with the region's only DMC with a fully dedicated golf specialists' team.

The United Arab Emirates

Dubai and Abu Dhabi are two extraordinary cities in the UAE with a shared love of luxury shopping, towering skyscrapers, manmade islands, world-class dining, iconic brunches, beach clubs and endless entertainment. Behind all the glamour, The UAE is home to rich Arabian culture which you can discover in its historical sites and museums or while enjoying a desert safari accompanied by camel riding and dune bashing.

Play the UAE's championship golf courses, following in the footsteps of the greats, including Tiger Woods, Rory McIlroy, Dustin Johnson, Ernie Els, and many more,. Experience some of the region's best golf courses, including those hosting DP World Tour events such as the Race to Dubai, Abu Dhabi HSBC Championship, and Dubai Desert Classic.

With only 7 days of rain a year, the UAE is the perfect destination for golf year-round. We recommend visiting during the cooler months from October to May.

Cero Travel believes that travelling should be an effortless and enjoyable experience.

That's why we take care of the details where you can experience the most exclusive golf destinations, hassle-free.
